World Water Day Tours and Open House

Date and Time: Friday, March 22 12:00 pm - 4:30 pm

Address: City of Stratford

On Friday, March 22, the City of Stratford will celebrate World Water Day with public tours and open houses at some of its key water facilities.

Please join us to learn more about where our drinking water comes from, how it gets to you, and how wastewater is treated.

The following facilities will be open to the public Friday, and staff will be available at each location to answer questions or to offer tours:

* Romeo Street Pumping Station (water supply)

39 Romeo Street South – Tours at noon, 1 p.m., 2 p.m., 3 p.m.

* Water Pollution Control Plant (wastewater treatment)

701 West Gore Street – Tours at noon, 1 p.m., 2 p.m., 3 p.m.

* Vivian Street Pumping Station (wastewater collection)

362 Romeo Street North – Drop-in open house from noon – 3 p.m.

* Forman Water Tower (water distribution)

430 Forman Avenue – Drop-in open house from noon – 3 p.m.

More information about World Water Day can be found at www.worldwaterday.org

Date and Time: Monday, March 25 7:10 pm

Community Services Committee

Date and Time: Monday, March 25 7:15 pm

Tuesday, March 26, 2024

Grand Trunk Community Dialogue #1

Date and Time: Tuesday, March 26 6:30 pm - 8:30 pm

Address: 353 McCarthy Road West, Stratford

Please join us to discuss the next steps in the renewal of the Grand Trunk site in Stratford.

The City of Stratford's Ad Hoc Grand Trunk Renewal Committee will be hosting a series of community events this spring to engage with residents and start a dialogue on refreshing the vision and guiding principles for the 18-acre City-owned downtown site.

The first event is planned for March 26, from 6:30-8:30 p.m. in Hall A at the Stratford Rotary Complex, 353 McCarthy Road West. It will be an opportunity to learn about the history of the site, where we are today and the process and work to date of the Ad Hoc Grand Trunk Renewal Committee.

The second event is scheduled for April 13 from 2-4 p.m. in the City Hall Auditorium. This dialogue will include a panel of speakers who have been involved in significant and impactful urban revitalization projects from places such as downtown Guelph, Niagara Falls' new Exchange project and Kitchener's Tannery and Breithaupt Block.

Further details about these community dialogues, along with links to register, are available on Engage Stratford at <https://engagestratford.ca/grand-trunk-renewal>
