Dear Mayor and Council,

I look down from my office window onto TJ Dolan Road. While I would prefer to look at a natural area and pathway instead of a road, I do not think this would be in the best interest of the community.

Every day I see people sitting in their cars eating lunch and taking naps on this stretch of road. This road provides a tranquil, private setting that can be found nowhere else in Stratford. For this reason I would recommend that this road not be removed.

Respectfully,
