Hi there,

I'm hoping this email reaches our neighborhood counsellor. As a homeowner in the neighborhood, I want to show support for the zoning bylaw amendment at 225 Oak St (planning file #204-25). I'm hoping to also attend the meeting on Monday, but do have a newborn baby thus unsure if timing will work out. However, if there is anything further I can do to show support of this change please let me know. I would be thrilled to have a daycare facility at this location.

Thanks for all you do!

Kindly, Nicole
