

STRATFORD CITY COUNCIL ADDENDA

Adoption of the Addenda to the Regular Council Agenda:

Motion by

THAT the Addenda to the Regular Agenda of Council dated February 23, 2026, be added to the agenda as printed to include the following:

9. Report of the Infrastructure, Transportation and Safety Committee:

9.1.1 Request for Delegation - Neighbourhood Area Speed Limit Pilot Study (ITS26-001)

Following the publishing of the agenda, Kate Mulrooney requested to speak to Council in support of the staff recommendation requesting the implementation of the the recommended 40 km/hr pilot project and to provide information in response to questions posed at the Sub-committee meeting.

Motion by

THAT Kate Mulrooney be heard.

12. Consent Agenda

CA-2026-021 Municipal Information Form for Liquor License Application for an indoor area at 148 St. Patrick Street (Ripy & Vine)

Section 2 – To be completed by the City Clerk.

Section 3 – Asking if Council has specific concerns regarding zoning, non-compliance with by-law or general objections to this application.

The Planning Division, Fire Prevention and Public Health have not expressed concerns with this application.

The Building Division provided the following comments:

- A separate AGCO letter will be required from the Building Department. The applicant will be required to submit the following:
 - Payment of the required fee. The current fee for application is \$85.00.
 - A floor plan completed by a qualified designer is required to be provided demonstrating:
 - the areas desired to be licensed
 - the occupant loads for licensed areas
 - exits/egress paths from the licensed areas
 - washrooms
 - The Building Division AGCO template form filled out within the "Re" section and send to building@stratford.ca.
